Participants

Work Package 4

Exploring HerStory Map: Learning and Training Activities Implementation

Objectives:

- Pilot implementation, methods localization and fine tuning of the HerStory Map physical excursion
- Implementation of the HerStory Map physical excursion with at least a number of 20 per partner city
- Evaluation of the HerStory Map and method

Work Package 4

Exploring HerStory Map: Learning and Training Activities Implementation

Deliverables:

D4.1 HerStory Map Pilot Implementation Participant List

D4.2 HerStory Fine Tuning Transnational Report

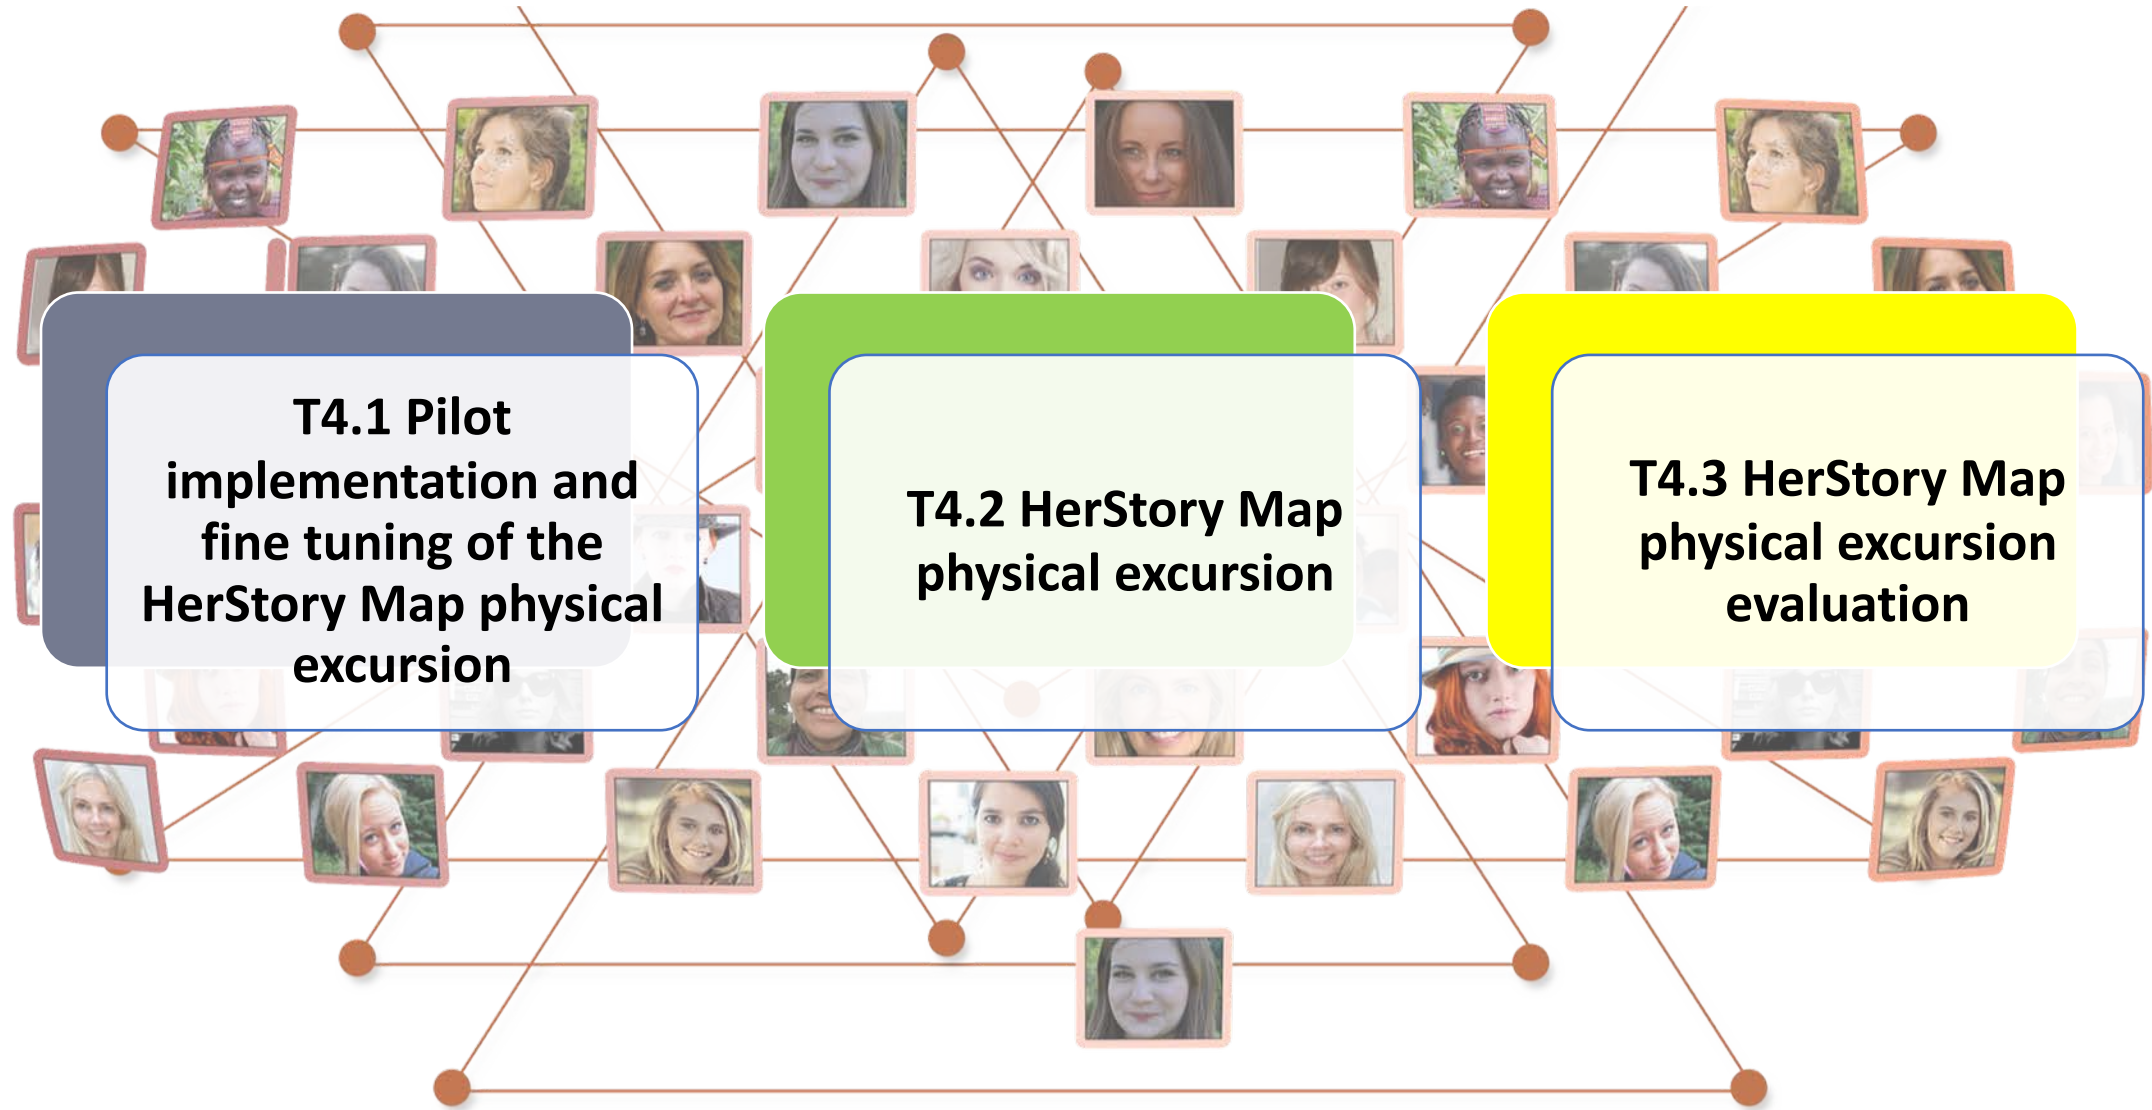

D4.3 HerStory Map Implementation Participant List

D4.4 HerStory Map evaluation report including the questionnaires

MS5: HerStory Map physical Excursion [M24]

A series of tasks

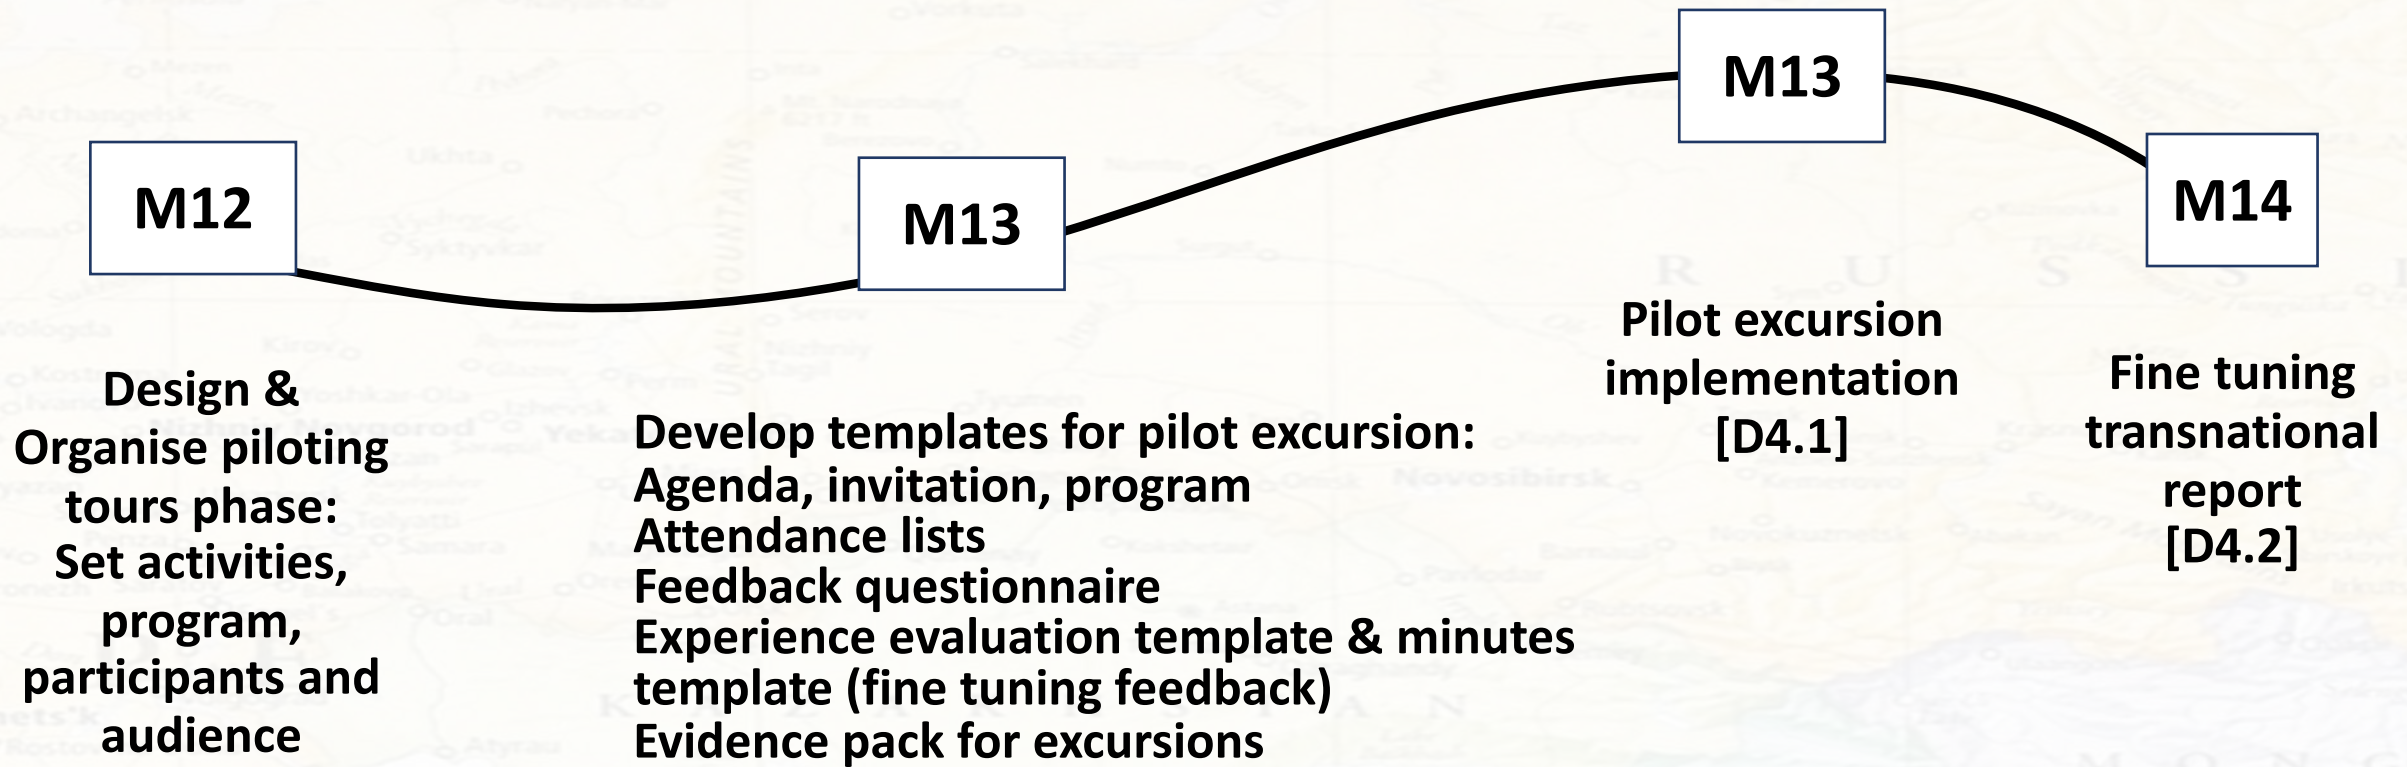

T4.1 Pilot implementation and fine tuning of the HerStory Map physical excursion

Activity: All partners will organize piloting tours of the map using the creative and entertaining HerStory Methods Guide provided in the HerStory online platform and Mobile App, to identify any mistakes or weaknesses.

- A. Develop activities for physical excursions. Engage to interactive sessions.
- B. Pilot HerStory Map physical excursion with a group of at least 10 participants from the target group.
- C. Identifying weaknesses and mistakes of HerStory Methods Guide: to fine tune the whole activity, considering any local aspects, such as weather condition, distances etc.

T4.1 Pilot implementation and fine tuning of the HerStory Map physical excursion

T4.2 HerStory Map physical excursion

Activity: The partners will involve at least 160 participants, members of the direct target group (in groups of 10-15) in the physical excursion of the HerStory Map at each partner city. (total 320 young people)

- A. Partners will develop & provide feedback questionnaires
- B. KEAN will create a template to receive experiences

Direct target group:

YOUNG

- young people, boys, and girls
- young people active in local community groups such as Municipalities' Youth Councils
- students from the fields of History
- students from the fields of Gender Studies
- youth experts
- youth organizations

Educators/ Trainers/ Academics

- Academics from the fields of History and Gender Studies
- Teachers and educators
- Teachers, and women and human rights organizations experts/activists

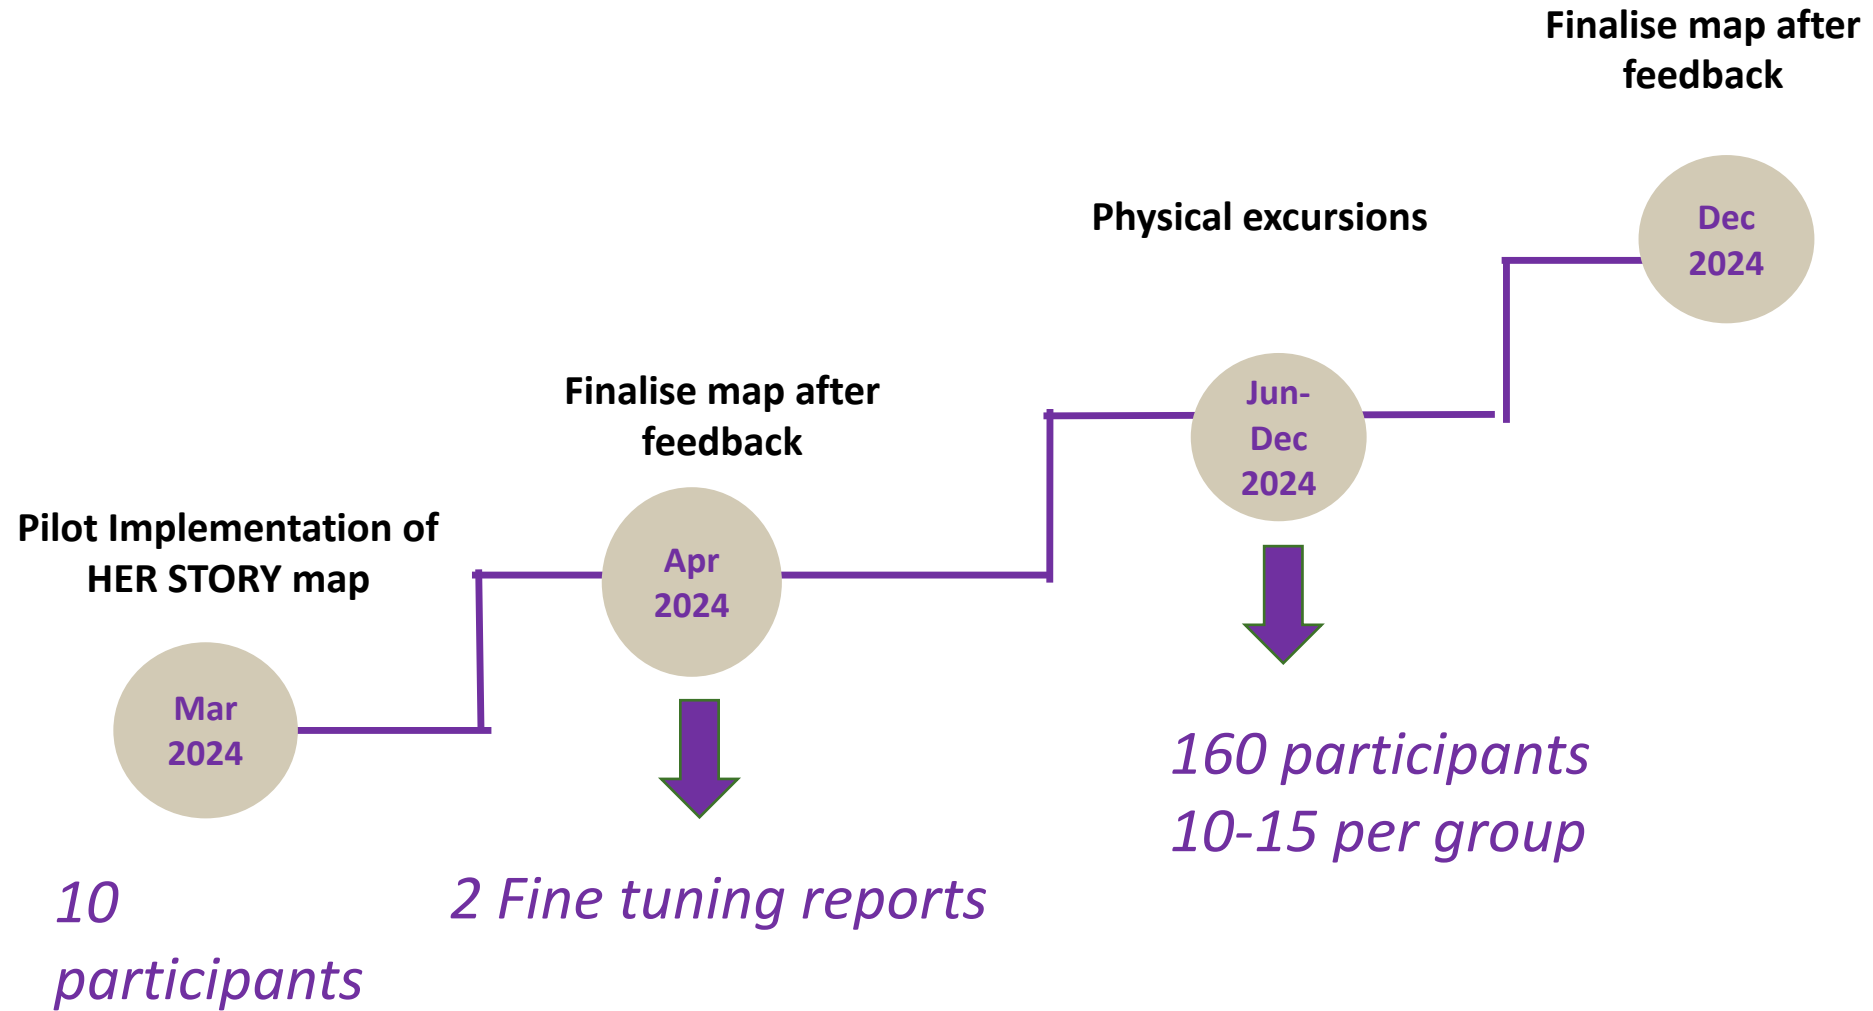

T4.3 HerStory Map physical excursion evaluation

Activity : The partners will develop tailor made questionnaires through which the participants of the HerStory excursion will evaluate the experience they had, the knowledge they gained etc.

- A. Partners will develop & provide feedback questionnaires
- B. KEAN will create a final feedback report for the experiences
- C. Experiences to be shared at the on-line map/ excursion

Roadmap:

Thank you!
